COOLING THE NATION

ECO EFFICIENT

LOW ENERGY CONSUMPTION
HIGH PERFORMANCE

INNOVATING TODAY. CHILLING TOMORROW.

At INDcool, innovation is at the heart of everything we do. We design and manufacture advanced ice machines that deliver superior performance, unmatched hygiene and maximum energy efficiency for businesses across India and beyond.

INNOVATION

Drives by new ideas and smart engineering

QUALITY

Built with precision and premium materials

SUSTAINABILITY

Eco-efficient solutions for a greener future

TRUST

Reliable performance you can depend on

INDcool INNOVATION SMART TECHNOLOGY. SUPERIOR ICE.

INDcool is redefining ice making with cutting-edge technology, smart controls and energy-efficient designs. Our continuous innovation ensures better performance, lower operating cost and a perfect ice experience.

SMARTER DESIGN

Engineered for high efficiency, durability and consistent ice quality even in extreme conditions.

ENERGY EFFICIENCY

Low power consumption and eco-friendly refrigerant for a sustainable tomorrow.

HYGIENE FIRST

Food-grade materials and auto clean function ensure safe, clean and hygienic ice.

INTELLIGENT CONTROL

Digital touch panel with smart features for precision, convenience and real-time insights.

SMART TOUCH CONTROL PANEL INTELLIGENCE AT YOUR FINGERTIPS

INDcool ice machines come with an intuitive touch screen display that gives you complete control.

- Adjust ice size and thickness with ease
- Monitor real-time machine status and cycle
- Control water drainage directly from the panel
- View ice-making duration, evaporator temperature and storage capacity
- Auto Start & Auto Stop for up to 12 hours for hassle-free operations
- Alerts for water shortage, high pressure or any issue for added safety

VERTICAL EVAPORATOR SYSTEM DESIGNED FOR SUPERIOR PERFORMANCE

INDcool's Vertical Evaporator System delivers crystal-clear bullet ice effortlessly. This unique design requires no gear motors, paddles or moving parts, ensuring unparalleled ease of maintenance, reliability and longer machine life.

- ✓ No Gear Motors
- ✓ No Paddles
- ✓ No Moving Parts
- ✓ Low Maintenance
- ✓ High Reliability
- ✓ Longer Life

PROUDLY MAKE IN INDIA

- DESIGNED & ENGINEERED IN INDIA for Indian conditions
- MANUFACTURED IN INDIA with Global standards
- SUPPORTING INDIA Creating Jobs. Building Future.
