Introduction

INDcool Electricals Private Limited is a startup group based in Delhi. The group started its journey in the year 2004 under the name Comtech Enterprises.

INDcool is a distinguished name in Indian industry and now it has become one of the well recognized appliances company of India. Our vision is to be the customer's chosen partner for appliances solutions. Our mission is to constantly reward our employees who have built a strong credibility amongst our clients.

INDcool has extensive experience in the design and has strategic alliances with equipment manufacturers to give a competitive Edge.

INDcool has a wide range of energy efficient 5 star rated ISI marked Fans, Geyser's, Air Conditioner's, Room Heater's, Immersion Rod, Exhaust Fan's, Water Cooler, Fresh Air Fan's and many more.

INDCool has developed a reputation to provide good quality appliances and after sale follow-up.

We realize that the true value in any association is through shared interests and our endeavour is to constantly exceed our client's expectations and give them total customer satisfaction.

INDcool has become a significant Manufacturer/Supplier of appliances in various Government and Semi- Government organizations as well as Corporate Houses.

IDC: CF 116

COPPER WIRE CIRCLE STATOR

Superconducting coil high
conductivity reduction of coil loss

LOW NOISE BALL BEARINGS

Oil-retaining bearing reduce
friction

TOP LUBRICATING OIL

Anti-oxidation protection
permanent protection for motor

Colour

MODEL : IDC CF 112 (COOLBERG)

Size : 48"

Volt : 230 V. AC

RPM : 330

Watt : 50 Watt
